

Thank you so much for booking your photo session with JoJo's Photo's and Studio! We are looking forward to catching this special moment in time for you!! Here are some helpful guidelines and tips for you to help you be prepared and to help us give you the best experience possible.

Now that your session has been booked, we will send you a **\$25 non-refundable booking fee** to lock in your appointment. If for some reason you need to cancel and reschedule your photo session, *you will be charged a new booking fee.* (We know life happens and weather is unpredictable, we will definitely be understanding and willing to work with you based on the circumstances!) **If your photo session is a free shoot/promotional** and you were not originally charged a booking fee and you need to reschedule, *you will be charged a non-refundable booking fee of \$25 when rescheduling.*

The location for your photo session should be established when you book your shoot, but please be aware that **if you chose the location for the shoot**, you are therefore responsible for making sure that you have permission to shoot at that chosen location. *Private establishments require permission beforehand to shoot inside of them, as well as some public places. Some places, like Hennepin County, require a permit to be purchased prior to shooting there.* Please make sure we know where we are meeting you specifically. **If we are traveling outside of a 30 mile radius from our studio**, we will require you to pay a \$50 traveling fee. (Excluding Senior Sessions\*) It will then be *an additional \$40 for every 40 miles outside of that radius.* (\*Senior Sessions excluded from this charge, but a \$20 gas fee will apply outside of our 30 mile radius.)

**With all photo shoots, you are required to be on time and come to your session completely prepared.** Hair, makeup, and outfit preparedness falls to you. If you want to change outfits at any time during your shoot, (excluding senior packages that have outfit changes included) it will cut into your designated time for your shoot. Each session has a specific timeline that is described in the packages on our website. That timeline can not be extended, especially if you are a sunset shoot.

**Photo sessions have strict time slots**, there will be no extension of the time of your session, except for if the photographer agrees to the additional time. ***If you are more than 15 minutes late to your photo session,*** the studio reserves the right to reschedule your sessions date and time based on the studio's availability, due to many sessions being scheduled back-to-back, and the studio can not compromise the session time of booked photo sessions due to tardiness.

**Editing time for all photo shoots (excluding weddings, which will take 10-12 weeks) is 4-5 weeks.** We will email you your digitally edited photos. Previews are never promised, and only given if time allows. *If you want to guarantee previews you can pay an additional \$25 fee at the time of your photo session* and JoJo will get you previews of the photos of his choosing within one week of your photo shoot. We will send you a release form that will allow you to print your photos wherever you choose. *If you would like photo previews within 24 hours, there is a \$40 fee.*

Thank you so much again for booking with us! We are excited to work with you and

hope to continue to take care of you for all of your future photo needs!! If you have any questions. You can email [jojosphotosandstudio@gmail.com](mailto:jojosphotosandstudio@gmail.com) .
