

Photoshoot Expectations

JoJo's Photos & Studio captures all monumental moments in your life, including newborns, seniors, couples, engagement, families, and more! We will create a fun and comfortable experience for everyone involved. Whether in-studio or on location, we will capture a memory that's sure to last a lifetime.

GENERAL TIPS

- Brush your teeth before your session, especially after drinking coffee and other colored beverages
- Try to get proper sleep the night before to reduce the appearance of heavy under-eye bags
- If you are getting a makeup service, please come with a clean and moisturized face
- If you are getting a hair service, please come with dry and unwashed hair
- For tips on color coordination, check out our color pallets at:

SENIOR

Congratulations on your senior year! Let JoJo's Photos & Studio show everyone who you really are. From traditional senior photos to creative in-studio shoots, we will capture your unique personality. Let's take this opportunity to showcase you and your sense of fashion, no matter how simple or extra. You can expect:

- Yearbook photos with that "make mama/grandma happy" smile
- Coaching with posing throughout the shoot to find the most flattering angles

FAMILY

We will capture the essence of your family through both posed and candid moments. JoJo's Photos & Studio will make sure everyone has a good time, including dads!

- A typical session includes various family dynamics such as the whole family, mom with kids, dad with kids, just the kids, and mom and dad. For larger families, we encourage you to create a shot list, so you don't forget any combination you are hoping for!
- When choosing outfits, we encourage the family to wear complimenting colors, rather than the same color/pattern. Doing so will add more texture to the photos and make them more appealing to the eye.
- As we walk from one spot to the next, we encourage you to be intentional with creating candid moments, such as holding hands, playing with your little ones, chasing them, etc.
- We have noticed that a reward may help the younger ones to cooperate. This could include a family ice cream date after the session, or snacks given in between poses.

COUPLES/ENGAGEMENT

JoJo's Photos & Studio will go beyond a traditional couples photo and capture the chemistry that binds a couple together. Let us show everyone how deep and pure your love is for one another!

- When choosing outfits, we encourage couples to wear complimenting colors rather than matching outfits. Doing so will add more texture to the photos and make them more appealing to the eye.
- We will coach you through posing and creating candid moments throughout your session. If you have any poses you know you want, please let us know!
- If you are doing an engagement session, be sure you have your rings! Let us show it off!

MATERNITY

Congratulations on your new little one! Though maternity will be the main focus, significant others and family members are welcome to join. If you are interested in capturing moments throughout this monumental stage, including maternity, birthing, newborn, and 6 months to 1 year, email us for details on packages!

- Wear an outfit that is snug around your belly. If your significant other or family will be joining, we encourage complimenting colors rather than the same color/pattern. Doing so will add more texture to the photos and make them more appealing to the eye.
- If you are unsure on where to look for outfits, Amazon has reasonably priced maternity dresses.

BABY

From newborn to walking and talking, JoJo's Photos & Studio enjoys freezing these precious moments for you. All baby sessions will include photos with mom/dad and siblings. We provide props, but also welcome any props you may want to bring.

- Newborn shoots are best done in the first 9 days of life. We have a space heater that will keep baby warm and comfortable during the session. It may get warm in here!
- For newborns, it is best to bring a tired and hungry baby. This will allow you to feed baby once you get to the studio, so they fall asleep for their session. With posing, baby may want to eat between sets.
- If you have a specific theme in mind, including color schemes, be sure to let us know ahead of time! This can include hunting, fishing, racing, neutral colors, etc.
- We supply swaddles and props such as baskets. If you have something specific in mind, please let us know, as we may not have it on hand.
- If you would like to showcase sentimental items in the photos, be sure to let us know! We can build a set around the item.
- Feel free to bring in props of your own, such as cake, balloons, special blankets/stuffed animals, toys, etc. If you plan on bringing something, please let us know ahead of time so we can build a set around your item!

MODEL

Are you interested in building or adding to a diverse and professional modeling portfolio for yourself or your child? JoJo's Photos & Studio offers sessions that can be added to your collection of photographs that show range and ability. We also offer modeling sessions just for fun!

- Depending on the type of photoshoot you are doing, Pinterest is a great resource for posing. Get more personal by practicing posing at home!
- JoJo's Photos & Studio will coach you with posing throughout your session.
- For headshots, follow our general guidelines above!

BOUDOIR

JoJo's Photos & Studio employs female boudoir photographers that are skilled in capturing timeless and tasteful photographs. Clients can expect a private and comfortable setting for their session, with a changing room and restroom available for use. Our photographers will empower women of all body sizes and builds to showcase their sensuality, humor, and inner beauty through creativity and self-expression.

- Wear loose clothing to prevent any lines on the body
- Our photographers will coach you with posing throughout your session and highlight the features you love most about yourself
- For 2-hour sessions, please bring 2 outfits; for a 1-hour session, please bring 1 outfit. If you cannot decide, our photographer will be happy to help prior to your session
